

GLORY

CI-50 for back office (with collection cassette)

Cash recycling system

reddot award 2018
winner industrial design

Combining both a banknote and coin recycler, the CI-50 accelerates back office cash processes in low volume cash locations. Delivering increased productivity for your staff and reducing the risk of cash shrinkage, the CI-50 allows your staff to focus on higher value activities that improve the customer experience and drive growth for your business.

Euro

As part of the CASHINFINITY™ solution, the CI-50 is a small footprint and low capacity banknote and coin recycler that meets the demands of small retail and gaming organisations.
